EAKRING PARISH COUNCIL

At the last meeting topics discussed included, the Great North Road Solar Park which will run from Eakring to Staythorpe and then north up the Trent Valley, around Ossington and then back to Maplebeck. Everyone at the meeting was horrified by the scale of the project.

The start of the pop-up pub in the Cator Hall has made the Parish Council aware of the need for proper licensing for the sale of drinks. This is currently being covered by temporary event license which can only be a stop-gap solution.

Quotes for the "Welcome to Eakring" signs were reviewed and sources of funding are being investigated.
