## EARLY NOTIFICATION - EAKRING ECHO TO FINISH PUBLICATION IN 2024.

The Eakring Echo was first published in May 1988 and since then it has been produced and delivered to all households in the village on a monthly basis. I have decided that after more than 35 years it has reached the end of its natural life and from April 2024 the Echo will no longer be published. Everyone who receives their Echo by email will be contacted to determine how they wish their personal data to be dealt with. Updates over the next few months. Thank you to everyone. Jennifer.
