EAKRING PARISH COUNCIL

The Parish Council are looking to **employ a cleaner for the Cator Hall. The minimum requirement will be 3 hours per week.**

Anyone interested should contact the clerk, Sian Bacon on eakringparishcouncil@gmail.com.

It was pleasing to see that the road junction white lines have been repainted as this will help to improve road safety. Also, the County Council has issued notices to people whose hedges overhang public footpaths, asking that they be cut back. If you have been issued one and don't believe that the hedge is your responsibility, please contact the County Council directly.

The date of the **autumn litter pick** has been set for the **22nd October, meet 10.00am at the Cator Hall**. Please wear a high visibility jacket if you have one. Bags will be provided.

The Parish Council has received two anonymous complaints regarding possible breaches of Planning Consent. As they are anonymous they cannot be dealt with in accordance with normal procedures. Anyone wishing to contact the Parish Council in confidence should contact the Parish Clerk stating their desire to remain anonymous and their request will be respected.

There will not be a Parish Council meeting in August, the next meeting will be on Wednesday 14th September, starting at 7.30pm in the Cator Hall. Everyone is welcome.

CHARNWOOD HOUSE - EAKRING

Creative Care (East Midlands) Ltd who own Sternhill Paddock have recently acquired Charnwood House which we will be opening as another care home next door to Sternhill Paddock. I apologise for any inconvenience whilst the building work is being undertaken to improve the home. We are converting the home for four residents to live in their own self-contained living space to give them greater independence. Many will know the company has 10 homes throughout Nottinghamshire for adults with Autism, Learning disabilities and complex needs including mental health. Charnwood will be no different, other than the residents will be all male adults living in the home and will have a dual diagnosis of mental health and learning disability. These residents are placed to live here by the Nottinghamshire County Council and we look forward to welcoming them into the community. The home is due to be finished in July and it will then be registered by the Care Quality Commission who regulates all care homes. The home will have its own CQC registered home manager and we would be happy for anyone in the village to arrange to visit if they are interested.

Kind Regards

EAKRING COMMUNITY ORCHARD WEEKEND

9th / 10th JULY.

Thanks very much everyone who came along on the Saturday to help get the meadow cut and have a go at scything. We completed the July Quarter leaving just the August Quarter to cut to complete the orchard scything year.

On the Sunday we had a good crowd for our Orchard cake picnic. Thanks bakers, that was an impressive stack of cakes!

Extra thanks to Pam for taking us round her farm, explaining everything and showing us the work to support nature. I learned a lot and possibly walked off half a piece of cake.
