NATURE FRIENDLY EAKRING

A big thank you to everyone who came along to help in 2021. In the orchard the fruit trees are doing well, the meadow has been scythed and seeded with wild flowers and the School Lane verge is looking tidy. The churchyard survey produced 128 species records and I learned some new flowers.

I'm sure we'll have plenty to do in 2022. Let me know if you have an idea for a project or would like to be added to my mailing list.
