EAKRING PARISH COUNCIL

The Parish Council, in addition to the routine procedural work have started to put in place plans to improve the Cator Hall and wider village.

Contractors have repaired the entrance door. Replacement window panels are being manufactured and a Councillor is planning to fit them free of charge. Local volunteers have been busy brightening up the area with flowers and general maintenance.

Acoustic panels are to be fitted to the ceilings in the Main Hall and Oakring Room, this will improve acoustics and reduce echo. The kitchen ceiling will be completed, followed by total interior re-decoration of the entire Hall in the forthcoming weeks.

With much appreciated help from Marie Worley, the old records have been sorted and are being put in good order for the future.

County Councillor Scott Carlton has been put on alert about the standard of grass cutting at various sites and has already taken steps to get matters sorted, along with additional signage and ASB issues.

The post of Clerk is due to be advertised to help the council along its onward journey.

Misuse of Dog Poo Bins

The designated Dog Poo bins are being used for general domestic & garden waste. Also, the litter bins are NOT for dog waste!

The Parish Council pay a disposal fee for this service and is appropriately regulated.

Your attention to this is important.

Thank you.
