EAKRING WOMEN'S INSTITUTE

The July Meeting was very interesting: the President welcomed 3 guests to the Meeting, and the business was quickly dealt with. The Speaker, Karen Winyard from the Nottingham Women's History Group was introduced and gave a very informative talk and slide show on the history of 3 ladies who lived in Nottinghamshire in the 18th Century. It was a real eye-opener on the life and times of women of all classes in that era and we were very grateful that fortunately it is not like this today. A raffle was held and refreshments were then served.

'ALTERATION TO SCHEDULED DATE'

The next Meeting is on Tuesday 27th August at 7.15p.m. in the Cator Hall.

This is an Open Meeting so everyone is welcome.

Speaker	-	Andy Harris
Subject	-	Introduction to Drumming
Refreshments	-	Pat Endean Rowe. Hazel Pedley
Vote of Thanks	-	Heather Brown

Just One Thing

Over the weekend of the 13th-14th July, a collection was held at St. Andrew's Church for toiletries and cleaning products for Newark Women's Aid. We were overwhelmed by the response. Thank you so much for your kindness and generosity.

EAKRING PARISH COUNCIL

The Parish Council had a very positive meeting on 10th July at the Cator Hall. The meeting was preceded with a presentation from Cllr Joe Parks on the Cator Hall history and his vision for how it could widen a greater audience appeal. With 13 members of the public present, a good interactive discussion took place and ideas will be expanded upon ahead of the next meeting.

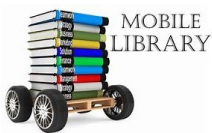

The meeting itself covered the routine items of business, but also the exciting news that National Grid pledged a large number of volunteers to do various tasks around the village on Friday 19th July. Projects included; bench renovation, work at Mompesson Cross and the clearing-out of the brook area on Kirklington Rd. Many thanks to the residents who put forward their suggestions and lending a hand on the day as well as their gardening tools!

Our local County Councillor Scott Carlton and NSDC have been in meetings with us to get the footpaths and verges under control. It is all looking very positive for work to begin over the coming weeks.

An unexpected and very gratefully received donation of £1000 was pledged by a resident to help with the ongoing project work around the Cator Hall garden; they will be involved in the design work that will make it a lovely usable space whilst minimising any noise issues with clever fence work and planting.
