Eakring Cator Hall

Following lots of enquiries from residents, here is
an update on the cafe/bar.....

The "Nodding Donkeys" group disbanded towards
the end of 2024 and was successful with raising
money for the refurbishment of the Cator Hall.
They also raised healthy sums during charity fund
raising evenings for the BBC Children in Need
and Air Ambulance charities.

Wheels are now in motion for the re-opening of
the bar on Friday nights, this will be organised by
an independent group, and we're sure that our
regulars will be happy to hear that.

Also, we are looking at opening a "warm hub" on
Tuesday afternoons for village residents to come
and have a friendly chat with friends old and new.
Tea and coffee will be served along with a slice of
delicious cake, or even warm buttered toast. We
feel this "not for profit" venture has the potential
for success as a regular communal gathering.

A big thank you to all the volunteers involved
with setting-up this idea, volunteers are always
welcome...together we can make this work.

Thanking you for your support; Marion Peet

The Parish Council meeting was held later than normal on Tuesday 14th due to the New Year holiday falling on a Wednesday, but it was well attended with 11 members of the public and the Newark and Sherwood Councillor in attendance.

Sadly the hall is not open to new bookings as we need a booking clerk who is also willing to operate the HIVE controller so if you are willing to volunteer some time please get in touch. Next Parish Council meeting will start at 7.30pm on 12th February and we hope to see you there.

Help plant new woodland for Eakring!

In the week starting Saturday 22nd February, Eakring Farming plus all the volunteers we can find, will be planting

3,000 native trees on the side of "Big Hill". Your help will be rewarded with donations to charity. Come and plant a few trees. If you haven't planted tiny trees before, it's easy and we can show you what to do. Let me know if you are interested and I'll send more details nearer the time.
