black death. He covered all aspects of the disease
touching on the local connection with the area and
the Revd. William Mompesson. Interestingly he
explained how the microorganism took hold in the
body and that it changed the DNA of us all to this
day.

We also received donations of produce for the
tabletop sale on the 19th July at Cator Hall where
we raised funds for the Newark Women's Refuge
and Newark Food Bank.

The next meeting will be held on;

A talk about the Workhouse in Southwell.
