EAKRING WOMEN'S INSTITUTE

At the September meeting the President welcomed Hannah Sylvester, the speaker for the evening.

The business was quickly dealt with; Hannah began to tell us about the medicine chest in our back gardens and the countryside. She went into detail of the common herbs and plants that can be used as medicines which grow in most gardens and their uses. She let us try some of her tinctures and syrups and how to make up our own herbal tea-bags. After questions and answers, tea and coffee with biscuits were served finishing with a raffle.

Sherwood Forest Brass Band

(formerly Thoresby Colliery Youth Band, founded 2000)

It has to be said, that if you didn't
attend the brass band concert at
St Andrew's, you missed a treat!

The band are all excellent musicians led by
Musical Director, Christine Lippeatt.

A miscellany of arrangements for
brass were played from
Film Scores, Broadway Musicals
and well known Hymns.

Playing to a full house, they filled the Church with
music and received rapturous applause in return.
Light refreshments were served in the Cator Hall
during the intermission. Thank you to all the band
members and in particular, Tony Pearce for intro-
ducing them to Eakring. To everyone that helped

towards making this an enjoyable
evening and for all your support.

We can look forward to more
musical concerts in the future.
